

S-485

We Are Passionate About Your Success!

Our Latest Innovation!

Simplicity Defined!

This ride-on S-485 Laser Screed® model does more than just screed concrete, it also rakes to three operator controlled Somero® Quick Pass levels. That is just the beginning of what this machine can do for the contractor. The benefits of the S-485 include:

- Incredible Pulling Power
- Easy to Operate
- OASIS Control System
- Simple, Fast and Accurate Grade Set-up
- Lightweight and Versatile
- Screed in Any Direction
- 4-Wheel Drive
- Utilize as a Laser Screed or Laser Controlled Rake
- Utilizes Somero's Proven Technology

The S-485 Laser Screed® machine is the right machine for contractors who want better performance when you encounter difficult applications such as:

- Slab on Grade or Slab on Deck
- 3 Dimensional Contours
- Chaired Rebar or Mesh
- Ice Rinks
- In Floor Heat & Freezer Slabs
